SCHOOLS
SEE FOREVER FOUNDATION

20th Anniversary Kickoff Celebration

Maya Angelou Schools and See Forever Foundation 20th Anniversary Kickoff Celebration is a night of cocktails, music, and dancing that raises funds for the Maya Angelou Schools, a network of alternative schools serving at-risk youth in Washington, DC. This event kicks off a year-long celebration that honors the foundation's 20-year history of transforming the lives of the city's most vulnerable youth. This year, our goal is to raise \$175,000.

See Forever Foundation and Maya Angelou Schools

Our mission is to create learning communities in lower income urban areas where all students can grow academically and socially. At Maya Angelou Schools, the key to our success is rooted in building trusting, respectful, and nurturing relationships with each other. We strive to create spaces where all students, particularly those who have not succeeded in traditional schools, can reach their limitless potential. Our students develop the academic, social, and employment skills they need to build rewarding lives and promote positive change. We achieve this through a demanding academic program and socio-emotional learning support that focus on the whole child. We empower students to grow successfully so they can see forever.

Your Support Can Transform Students' Lives

Throughout the year, our educators, staff, and partners go beyond the call of duty to ensure all students develop the academic, social, and employment skills they need to build rewarding lives and promote positive change. This wouldn't be possible without the generous support of our funders and supporters. With your contribution, we can continue to provide wrap-around programs such as:

- Comprehensive Mental Health and Socio-Emotional Services
- On and Off Campus Tutoring
- Extended Day and Enrichment Programs
- College and Career Success Programming
- Workforce Training for young adults
- Residential housing

Join us in our mission to help students overcome challenges, realize their potential, and go off to college! Visit www.seeforever.org to purchase tickets or click the link below.
