Grievance Procedures

It is the policy of Maya Angelou Public Charter Schools (MAPCS) to treat all students and members of the school community in a fair and impartial manner. MAPCS values the input and participation of students, parents/guardians, employees and community members. MAPCS strives to work harmoniously with the entire school community in solving problems or concerns. However, we also understand there may be a time when a member of our school community needs to file a complaint. When complaints or concerns arrive, they should be solved at the school level first.

Wherever possible, MAPCS urges members of the school community to first attempt an informal complaint prior to submitting a formal complaint. Informal complaints can be submitted to the following:

- Principal
- Assistant Principal
- Dean
- Teacher

If the informal process does not yield results, members of the school community are entitled to file a formal complaint. To initiate the formal complaint process, the complaint must be received in writing and submitted to the Principal (High School) or YALC Director (Young Adult Learning Center). Written formal complaints should be submitted within 90 days of the alleged issued or within 90 days of receiving an unsatisfactory response to an informal complaint. When the written complaint is received, the following will occur:

- Principal/YALC Director will review the complaint and will contact you within 5 school days to schedule a meeting to further discuss the complaint, if needed. The meeting will be scheduled within 10 school days of receipt of the written complaint, if needed.
- The Principal/YALC Director or their respective designee will investigate the complaint and provide findings to the Principal/YALC Director.
- Within 30 days of receipt of the written complaint, you will receive a summary of findings based on the investigation and a determination on whether the complaint was substantiated.

In the instance where you disagree with the results of the investigation or your written formal complaint has not been addressed within the time specified above (30 days), complaints can be escalated to the Chief of Schools.

Chief of Schools
Maya Angelou Public Charter Schools

You must submit a written request for the Chief of Schools to review your complaint within 10 school days of receiving the summary of findings OR within 10 school days of not hearing from the Principal/YALC Director or their designee. The Chief of Schools or their designee will review the written complaint and all relevant materials. A determination on whether the complaint was substantiated will be provided within 7 school days of submission of the written complaint to the Chief of Schools.

In the instance where you disagree with the decision made by the Chief of Schools, you may contact the Chief Executive Officer (CEO) for an appeal. The written complaint and supporting materials may be submitted to:

Non-Discrimination Policy

In accordance with Title VI of the Civil Rights Act of 1964 (“Title VI”), Title IX of the Education Amendments of 1972 (“Title IX”), Section 504 of the Rehabilitation Act of 1973 (“Section 504”), Title II of the Americans with Disabilities Act of 1990 (“ADA”), the Age Discrimination Act of 1975 (“The Age Act”), and the District of Columbia Human Rights Act (“HRA”), applicants for admission and employment, students, parents, employees, sources of referral of applicants for admission and employment, and all professional organizations holding professional agreements with Maya Angelou Public Charter Schools (High School and/or Young Adult Learning Center) are hereby notified that Maya Angelou Public Charter Schools does not discriminate on the basis of race, color, national origin, sex, age, disability, religion, marital status, personal appearance, sexual orientation, gender identity or expression, familial status, family responsibilities, political affiliation, source of income in admission or access to, or treatment or employment in, its programs and activities.

FERPA Notice

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the MAPCS receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the MAPCS to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing

regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to withhold disclosure of directory information. At its discretion, MAPCS may disclose basic directory level information that is not considered harmful or an invasion of privacy without the consent of students or parents. Directory information includes:
 - a. Student Name
 - b. Student Address
 - c. Student Date of Birth
 - d. Student contact telephone numbers
 - e. Honors and Awards
 - f. Dates of Attendance and Enrollment Status
 - g. Participation in officially recognized activities and sports

Parents/Guardians or students age 18 or older may instruct Maya Angelou Public Schools to withhold any or all of the information identified above by submitting a request in writing to the Director of Accountability at Maya Angelou Public, 5600 East Capitol Street, NE Washington, DC 20019 or to data@seeforever.org.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the MAPCS to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue SW
Washington, DC 20202

Open Meetings Policy

Background and Board Accessibility

In the District of Columbia, there has been a call for greater transparency into the composition, engagement and decision-making practices of charter school boards. In March 2019, the DC Public Charter School Board passed a School Transparency Policy to address this feedback and other requests for access to additional information on schools. Maya Angelou Public Charter School is formally documenting its board meeting policy for the upcoming school year.

The Maya Angelou Public Charter School (MAPCS) board has a long history of being engaged with and accessible to the school community. Board members regularly visit the campuses, often holding at least 2 meetings at a campus. Board members attend community and staff events like: Maya Fest, Board/Staff Dinners, Holiday Events and many more. Board chairs, particular, are very engaged, with at least two former chairs moving on to be Executive Directors of the organization. Besides being held on campus, board meetings often have staff in attendance, both those who attend regularly and those who are invited to speak on different programs. Current and former students have also been invited to attend and in previous years, graduates have been members of the board. Staff and the community have always been able to reach the board via email as well by emailing mapcsboard@seeforever.org. These are all practices that MAPCS plans to continue into the next school year. In addition, we are formally announcing two Open Meetings.

Open Meetings

The MAPCS Board plans to conduct two full open meetings of the 2019-2020 school year, in alignment with DC PCSB's School Transparency Policy. These meetings will be open to the community and will provide an opportunity for public comment.

At this time, those dates are December 4, 2019 and May 6, 2020. The meetings will be in the evening and will occur at the Maya Angelou Learning Center. Meeting agendas will be available on our website in advance of meeting and will indicate the time for public comment.

Notification of the meeting will go on our website, in our school building and via current methods of electronic and postal mail.

Questions about board governance can be directed to the organization via the contact information below or via email to mapcsboard@seeforever.org and communications@seeforever.org.

Introduction to Policies

Maya Angelou Public Charter Schools consists of the MAPCS – High School, MAPCS – Young Adult Learning Center. As such, each school’s population differs in age and programming. Each school has their respective set of attendance and discipline policies as they apply to their serviced age group and school designations of alternative and adult education, respectively.

Maya Angelou Public Charter Schools – High School Policies

The attendance and discipline policies in this section apply strictly to the MAPCS – High School.

High School Attendance Policy

Attending classes is an essential commitment that each student has made to the school and, more importantly, to themselves. If a student is absent or late, it can negatively affect their learning and the learning of others. The Student Development Manager (SDM) team leads daily attendance outreach. This outreach consists of making phone calls home, sending letters and conducting home visits with the goal of understanding barriers to student attendance and identifying solutions and supports. While excused and unexcused absences are distinguished for recordkeeping purposes, it is important to note that missing significant time from school can adversely affect overall student performance.

Truancy

MAPCS knows that a significant percentage of our students come to us having been truant and require a comprehensive approach to helping them become comfortable in the school setting. MAPCS complies with the District of Columbia Compulsory Education and School Attendance Clarification Amendment Act of 2016 and personalizes our approach to attendance monitoring by conducting routine home visits, facilitating parental meetings, convening a Student Support Team (SST) meeting and recommending students to join our Residential Program, which is prioritized by need and circumstance.

Students who accumulate 10 or more unexcused absences within the school year are considered chronically truant. MAPCS is required to make referrals to city agencies based on student age and amount of unexcused absences accrued.

Below is a breakdown of consequences for repeated absences:

- If a student age 13 and younger reaches **10 unexcused full day absences**, MAPCS will make a referral to CFSA as required by law.
- If a minor student 14 years of age through 17 years of age accumulates **15 unexcused full day absences**, MAPCS will make a referral to the Court Social Services Division of the Superior Court of the District of Columbia and to the Office of the Attorney General within two (2) business days of the 15th absence.
- If a student reaches **20 consecutive unexcused full day absences**, MAPCS reserves the right to remove the student from the rolls for non-attendance.

Absences will be addressed in the following manner in an effort to strengthen attendance:

Unexcused Absences (Full School Days)	School Response / Consequence for Student
1-2	Phone Call Home
3-4	Letter Home/Home Visit Robocall to Parent/Guardian
5	SST/Tuancy Conference Attendance Intervention Plan
6	Home Visit Conducted/Warning Letter Sent
10	Tuancy Warning Letter CFSA Referral for students age 13 and under
15	Court Social Services Letter Referral to Court Social Services & Office of the Attorney General
20	Roster Removal Notification Letter*

* MAPCS makes every attempt to engage students and families to regularly attend school. After the prescribed number of absences, various city agencies will engage with your student and your family. In the event that your student accumulates more than **20 consecutive unexcused full day absences**, MAPCS may, but is not required to, exit the student for non-attendance. When the

student and/or family is ready for the student to re-engage in schooling, they may contact MAPCS for next steps on re-enrollment.

Excused vs. Unexcused Absences for School-Aged Students

The following absences from school are considered excused and must be accompanied with appropriate documentation:

- (a) Illness or other bona fide medical cause experienced by the student;
- (b) Exclusion, by direction of the authorities of the District of Columbia, due to quarantine, contagious disease, infection, infestation, or other condition requiring separation from other students for medical or health reasons;
- (c) Death in the student's family;
- (d) Necessity for a student to attend judiciary or administrative proceedings as a party to the action or under subpoena;
- (e) Observance of a religious holiday;
- (f) Lawful suspension or exclusion from school by school authorities;
- (g) Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other condition(s) or emergency requiring a school closing or suspension of classes;
- (h) Failure of the District of Columbia to provide transportation in cases where the District of Columbia has a legal responsibility for the transportation of the student;
- (i) Medical or dental appointments for the student;
- (j) Absences to allow students to visit their parent or a legal guardian, who is in the military; immediately before, during, or after deployment; and
- (k) An emergency or other circumstances approved by an educational institution.

Excused Absence Documentation

Approved excused absences are considered excused when written documentation (letter, e-mail or note) is submitted within five (5) school days of the absence. Written documentation received after five (5) school days must be approved by school administration. The following is a list of appropriate documentation:

- a. Note from a physician on their letterhead with the date and reason for the absence.
- b. Absence resulting from a court appearance, probation appointment or absence related to a legal issue or concern that is documented on letterhead from that law affiliated organization.
- c. Appointment with a social service agency/employee on the letterhead for that Organization.
- d. Handwritten note(s) by parent/legal guardian. Note **must** include date(s) of absence(s), reason for absence, contact phone number and the student's full name.
- e. Email notification from parent or legal guardian. Note **must** include date(s) of absence(s), reason for absence, contact phone number and the student's full name.

- f. Obituary and/or funeral program of family member

Unexcused Absences

Unexcused absences are any absence that does not fall into one of the categories listed under the excused absences list. Students who accumulate 10 or more unexcused absences within the school year are considered chronically truant. MAPCS is required to make referrals to city agencies based on student age and amount of unexcused absences accrued.

Tardiness

Classroom instruction is essential for student academic success. Students arriving late to school are considered tardy. In the event that the student will arrive late to school, it is advised that the student or parent/guardian of the minor student(s) call the main office of the school.

Early Departures

Students who need to leave prior to the approved end of their school day must follow the below procedure:

- A parent/guardian must be reachable and verify the approval of early departure. Parents can send a written note for dismissal. In the instance a phone call is made, written communication must immediately follow.
- Any community support worker and/or social worker attempting to retrieve a student must present proper credentials upon arriving to the main office and prior to speaking with a student. There must be documentation on file identifying said community support worker and/or social worker as authorized to have access to the student and/or student records.
- A pattern of early dismissals will require an SST referral. Three unexcused early dismissals (Walking out or leaving the building) will be considered an unexcused absence and the student will be scheduled for a parent conference.

High School Discipline Policy

Academic Integrity and Plagiarism (copying others' work)

MAPCS defines plagiarism as:

- Presenting someone else's work, including the work of other students, as one's own.
- Ideas, images or original thoughts taken from another source for either written or oral use must be cited correctly and the original author given full credit.

Consequences for Academic Dishonesty/Plagiarism:

- First offense per academic year: The student has to redo the assignment for ½ credit. An essay must accompany the assignment on the importance of submitting authentic work. (Length of essay to be determined by the teacher from the original assignment.)
- Second offense per academic year: The student forfeits the grade from the given assignment and a parent conference is scheduled with the teacher and administration. May include other consequences as determined in parent meeting.
- Third offense per academic year: The student forfeits the grade from the given assignment and may receive a short-term suspension. Further offenses will result in additional suspensions and failure of the course.

Technology Acceptable Use Policy

The Technology Acceptable Use Policy contains general policies for the use of technology along with policies related to the usage of non-Maya Angelou Public Charter School (MAPCS) provided devices, such as personal laptops that access MAPCS systems and/or make use of MAPCS internet technologies. The Laptop Usage Agreement specifically refers to devices provided by MAPCS for educational use by students. The Laptop Usage Agreement must be signed and returned prior to a student being issued a laptop.

The MAPCS Acceptable Use Policy applies to all technology resources including, but not limited to: personal computers and devices, school computers, cell phones, video and audio equipment, copy machines and information storage devices. MAPCS students are expected to use school resources in a considerate, ethical, moral and legal manner.

All MAPCS technology systems and information stored on them are governed by school policies and are subject to school supervision and inspection whether they reside on school owned computers or computers or external drives brought on campus by students. MAPCS reserves the right to monitor, access, retrieve and read all messages, information, and files created, sent, posted from, stored on MAPCS laptops or stored on MAPCS networks. Any student who violates this policy or any applicable local, state or federal laws is subject to disciplinary action, a loss of technology privileges, and may face legal prosecution.

Acceptable Use on General Computer Use

MAPCS provides computer network access to students who use the access in accordance with the mission and philosophy of MAPCS. Students agree to the following terms as a condition of having network access:

1. Appropriate Use: Student use of the MAPCS computer network must be consistent with the philosophy of MAPCS and its educational goals. Misuse includes any Internet conduct on or off-campus that negatively affects the reputation of MAPCS including messages sent, posted or received that suggest harassment, racism, sexism and inappropriate language or symbols.

2. **Vandalism/Hacking:** Students will not use their MAPCS access or other internet access to interfere with or disrupt network users, services, MAPCS data or data of another student, or equipment, either locally or off campus.
3. **Unauthorized Entry:** Students will not access or try to make unauthorized entry to any machine/software accessible via the network or on remote networks. If a student notices a security problem, the student must notify school personnel immediately.
4. **Inappropriate Messages:** Students will not use their MAPCS access to transmit threatening, obscene or harassing/bullying materials, including chain-letters, solicitations, inappropriate photos, or broadcast messages via our network or email system.
5. **Inappropriate Material:** The Internet contains certain material that is illegal, defamatory, inaccurate or potentially offensive to some people. Students will not use their MAPCS access to knowingly visit sites that contain this material nor import, transmit and/or transfer any of this material to other computers.
6. **School Personnel:** Students may not post to websites or blogs, images, photos or video of employees of MAPCS. This includes the creation of fan pages or groups on social networking sites.
7. **Private Use:** Students will not share their MAPCS access or password.
8. **Personal Privacy:** Students will not communicate their address, phone number or other personal information to any person or company on the Internet or through email.
9. **Unauthorized Programs or Computers:** Students may not use, copy, delete, or install any program on a school computer or save any executable program without the permission of school personnel. Students may not use personal laptop computers without prior permission from the Technology Director.
10. **Copyright:** Students are not to post to websites or blogs any photos or logos that are the property (intellectual property) of MAPCS.

Any unauthorized technology used for the purpose of bypassing security systems, including internet filtering, is not permitted. This includes the use of ssh, proxy-bypass software, remote desktop sessions, and other technologies.

Any costs, charges, liabilities or damage by misuse of the computers are the individual student's responsibility. Any consequences of service interruption or privacy violation will lead to disciplinary action according to the school student success code.

Permitted Use of Personal Electronic Devices

The use of personal laptop computers, tablets and mobile devices on campus is a privilege that is subject to the policies in the school student success code and the following rules. All policies set in place in this Acceptable Use Policy continue to apply when a student brings a personal device for use on campus.

1. Students are responsible for securing their devices (laptop, tablet, etc.) on campus.
MAPCS assumes no responsibility or financial liability for any damage the student or parent suffers, including but not limited to theft, physical damage, loss of data or

software malfunctions of the personal laptop computer. If a device/computer appears to have been stolen, the student will immediately report the incident to the Assistant Principal.

2. The student must adhere to any additional guidelines which the MAPCS personnel may require. **The use of the electronic device may in no way disrupt or distract from the learning environment.**
3. Students may ONLY connect wirelessly to the school's network using **ONLY MAPCS** issued technology. Students are not permitted to connect their personal device to the school network at any time. Devices that do not support this network connectivity are not permitted. All usage must be in accordance with the policies in the Student - Parent Handbook and be consistent with the Mission and Philosophy of MAPCS. Students are strictly prohibited from using peer-to-peer software, file sharing programs, telnet/ssh, or messenger programs as well as other resource/network intensive applications. The use of network monitoring software or applications considered intrusive by the school is considered to be a serious offense, and will result in disciplinary action articulated in the school student success code.
4. The student is responsible for coming to school with a fully charged device and may not connect to any classroom outlets for charging their device without adult permission.
5. Student use of a personal laptop on campus must meet the requirements of the Acceptable Use Policy. Laptops are not to be used for games, chat, DVD viewing or other forms of entertainment.

This Laptop Acceptable Use Policy is intended to promote responsible use and protect students and the school from liability resulting from any misuse of the school-issued laptop. Technology, on or off-campus, must be used in accordance with the mission and philosophy of MAPCS as well as the Acceptable Use Policy for Technology. Teachers and Student Development Managers (SDM) may set additional requirements for use in their respective classes.

MAPCS laptops remain the property of MAPCS at all times. Therefore, there is no assumption of privacy. MAPCS reserves the right to inspect student laptops at any time during the school year. Misuse of the laptop may result in disciplinary action up to and including reimbursement of a damaged device.

Above all, the laptop program at MAPCS is an academic program, and the policies governing the use of the laptop support its academic use. To maintain the integrity of the laptop program, all students and parents/guardians must acknowledge and agree to the following conditions of use:

I. Laptop Distribution and Care

1. Students must not have food or beverages anywhere in the vicinity of the assigned laptop.
2. The laptops issued to students are the property of MAPCS and are made available to as learning tools.

3. Students will be issued their laptops at the beginning of the school year. The laptops are to be returned at the end of each School Day or session, depending on the mode of instruction for the day.
4. Students are responsible for knowing how to properly operate and protect the laptop. This includes not leaving the laptop in a location where it can be damaged by cold, heat, or moisture.
5. Students/parents are solely responsible for the care and security of student laptops.
LAPTOPS MUST NEVER LEAVE THE ASSIGNED PUPIL LEARNING COMMUNITY (PLC).
6. If the laptop is damaged or malfunctions, students must take the laptop to their SDM as soon as possible (before the end of the school day) for evaluation. If a student damages the laptop (outside of reasonable wear and tear), **the students/parents are responsible for the expense of repairing or replacing the device.**
7. If the laptop is lost or stolen, the student must report the incident to the SDM immediately. In the case of theft, **students/parents are responsible for replacing the lost or stolen laptop at his/her own cost.**
8. Students are not permitted to repair, alter, modify or replace laptops without express authorization from MAPCS. Under no circumstance will MAPCS replace or repair a student laptop without the required payment from the student/parent.
9. Laptops must remain free of any writing, drawing, stickers or labels that are not the property of MAPCS.

II. General Expectations

1. Students are responsible for understanding and adhering to all Acceptable Use Policy for Technology regulations from the Student-Parent Handbook relating to the use of technology in addition to this laptop Agreement.
2. Students may not remove or circumvent the management system installed on each laptop. This includes removing restrictions or “jailbreaking” the device.
3. Students may only connect to the Internet via the wireless network provided by MAPCS while on campus.
4. Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
5. Earphones will be issued to each student for use with the laptop as needed. The earphones must be returned at the end of the class period or learning session depending on the instructional mode of the day.

IV. Prohibited Use

1. Leaving the laptop unattended.
2. Exchanging laptops with another student.
3. Allowing other students to retain or remove the laptop from their presence.

4. Copying certain Internet materials or reproducing or transmitting materials without the permission of the author or other right-holder.
5. Plagiarizing academic materials. It is the student's responsibility to respect and adhere to all copyright, trademark and other intellectual rights and trade secret laws.
6. Using the laptop for any action that violates existing school rules or public law.
7. Creating, accessing or distributing offensive, profane, bullying/threatening, pornographic, obscene, rumors/gossip, sexually explicit or other content not aligned with the school's mission and philosophy.
8. Use of chat rooms or messaging services not authorized by the teacher for academic use.
9. Accessing sites selling term papers, book reports, and other forms of student work.
10. Spamming: sending mass or inappropriate emails.
11. Gaining access to other students' accounts, files, and/or data.
12. Use of the school's internet/e-mail accounts for financial or commercial gain or for any illegal activity.
13. Bypassing the MAPCS web filter through a web proxy.
14. Sharing passwords, addresses, or other personal information on the Internet without the authorization of a parent or school representative.
15. Using or possessing hacking software.

V. Precautions

1. In consideration for receiving the laptop from MAPCS, each student and his or her parent or legal guardian agrees not to sue and hereby releases, waives, discharges, holds harmless, indemnifies, and defends MAPCS, as well as their respective employees, personnel, staff, volunteers, agents, directors, affiliates and representatives, from any and all liability, losses, damages, claims, actions and causes of action of every nature for any and all known or unknown, foreseen or unforeseen, bodily or personal injuries, property damage, or other loss, whether claimed by the student, parent, legal representative, or any third party, relating in any way to the use of the laptop furnished by MAPCS to the student.
2. This laptop Acceptable Use Policy applies to MAPCS students at all times, whether or not the students are on campus, as MAPCS students are school representatives at all times.

Cell Phones and Personal Electronic Devices

Students are authorized (with their teacher's permission) to utilize personal technology **in an instructional assistive manner (ex. calculator, google searches, dictionary). Personal student technology must not interfere with the instructional environment. Constant disruption of the instructional environment will result in disciplinary consequences.**

When a student is found using their device in a non-instructive manner, the student will be asked to surrender his/her device to MAPCS personnel. Behavior personnel will return the device at end of the day. Refusal to follow instructions will result in a response from the student success code. After five (5) incidents in a quarter, a parent or guardian will be required to attend a conference and retrieve the device.

MAPCS does not assume responsibility of the security of student personal technology that has not been confiscated by the school.

Cell Phone Policy

All cell phones entering the building must be turned off.

This policy regulates the use of cell phones and other electronic signaling devices in order to insure uninterrupted instruction, safety, decreased bullying, and reduction of theft.

- Students and staff may bring cellphones to school; however, the purpose of this policy is to regulate their use so that such use does not interfere with instruction, safety, or work for which the individual has been hired.

Using an honor system, students are expected to adhere to not using phones during classroom instruction, lectures, town hall meetings, workshops, hallways and during transition periods to include stairwells. Students violating the cell phone usage policy will be given a warning by the teacher or staff member. Should the student continue to violate the policy, the student will be escorted to Post 1 to place their cell phone in the cell phone locker.

Cell phones, while they provide a great source of communication for families, can also be disruptive and a source of safety and security issues in the school. Any parent needing to contact a student may call the main office and students may make emergency calls from the main office or counselor suite.

The following actions are a few examples of what will be considered cell phone violations and are subject to consequences.

- Playing music that is disruptive to the classroom and instruction
- Talking on the phone while in class that becomes a disruption
- Using the cell phone to record a student, or staff without permission
- Watching movies/videos
- Engaging in social media

Students not adhering to the cell phone policy may be subjected to the following:

- First offense - Verbal warning from Maya staff and documented in Powerschool School.

- Second offense - Student will receive a Behavioral Referral form that may refer the student for additional consequences.
- Third offense - Student will be escorted to Post 1 to place cell phone cell phone locker.
- Fourth offense - Parent conference will be set up for parent conference with an administrator.

Hallway Protocols

Once dismissed from class, students must show respect for themselves, others, and their surroundings. Students have five (5) minutes to arrive in their next classroom. Students who are late to class will be documented in our database and may be required to attend tardy-hall. After three tardies, a student may receive a consequence, which may include an after school detention to make up for lost instructional time.

Leaving Class

Students must obtain an official MAPCS hall pass and sign out of class before exiting a room and or office. Students must return to class in a timely manner and must sign back in. Staff will not write or issue passes for students they are not currently monitoring. Students are expected to be respectful and quiet at all times so that they do not interrupt instruction. Most importantly, students who leave class without permission will receive consequences as outlined in the student success code.

Language

We expect all students and staff to refrain from using inappropriate language, gestures or body language that may offend others. MAPCS is a learning environment that encourages students to use language appropriately to express opinions, provide feedback and ask questions. Students who choose to repeatedly use inappropriate language will receive consequences in accordance to the student success code.

Smoking

There is absolutely no smoking in the building (to include bathrooms, stairwells) or within 100 yards of the building at any time. This includes any field trips or activities, which are sponsored by MAPCS.

Drugs and Alcohol

Students who appear to be under the influence, caught using, selling or possessing illegal substances will be apprehended swiftly and will receive appropriate consequences to include parent notification for early dismissal. The Maya Angelou Public Charter High School Student Success Code has explicit and strict consequences for behavior of this nature. Maya Angelou Learning Center is a drug free zone, which includes the 1000 yards around the campus. Within

this zone, legal penalties are stricter than in other public areas. DC law mandates consequences for drug possession and distribution on school property.

This is a serious situation that threatens the safety of the entire community. Students will be required to meet with a counselor and will receive a referral to a community-based agency for therapeutic support. Multiple offenses will require a parent meeting and could include other disciplinary action.

Weapons

Weapons of any kind are not permitted in school or the surrounding 100 yards of school property under any circumstances. MAPCS identifies weapons as, but not limited to, lighters or other flammable items, tasers, mace, guns, sticks, bricks, rocks, pipes, razor blades, laser lights, brass knuckles, box-cutters, knives, pencils, pens, scissors or any item that can be used to inflict physical harm and/or has potential violent use. Weapons also include any animate or inanimate object, even if designed for non-violent purpose, with potential violent use if, given the circumstance, the student is carrying the object for threat or use as a weapon.

Weapons shall be classified as a Tier 2 and Tier 3 level of infraction. MAPCS staff reserves the right to determine what is considered a weapon upon inspection. If a student brings the aforementioned or any other weapons to school, long-term suspensions or expulsion may follow. Any student found in possession of or found to have brought a gun onto school property, will be referred to MPD followed by a recommendation for long-term suspension or expulsion.

Chemical Dispensing Device

A student shall not possess on school property or at any school sponsored event or activity a chemical dispensing device that is designed, made or adapted for the purpose of causing an adverse psychological or physiological effect on a human being. Any instance(s) of chemical dispensing device use on school property or any school sponsored event or activity will be subject to disciplinary action as outlined in the student success code.

Domestic (Dating) Violence

The term “dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the student victim. Violence is considered to be physical in nature, but also includes verbal, bullying (cyber) and threat towards the student victim(s). MAPCS does not tolerate domestic violence. Any instance(s) of domestic violence on school grounds or school sponsored event or activity will be subject to disciplinary action as outlined in the student success code.

Bullying

Bullying is any severe, pervasive, or persistent act or conduct, whether physical, electronic or verbal. Bullying is also defined as an intentional and unwelcomed electronic (cyber), written,

verbal, or physical act, or series of acts. It is directed at another student group of students that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race; color; intellect, religion; ancestry; national origin; gender; sexual orientation; gender identity.

Bullying also occurs when a student or group of students intentionally or unintentionally organize a campaign or target another student or groups of students maliciously by spreading rumors, harassment, and or purposely following a student as a means of threatening the student or group of students. Please refer to Appendix I for Anti-Bullying Protocol and Prevention.

Cyber Bullying

Bullying that is done through the use of any electronic communication device, including through the use of cellular or other type of telephone, a computer, a camera, electronic mail, text messaging, social media or any other internet –based application.

MAPCS does not tolerate any forms of bullying. Any instance(s) of bullying on school grounds or school sponsored event or activity will be subject to disciplinary action as outlined in the student success code.

School Behavior Management, Safety and Security

The Maya Angelou Public Charter Schools have specific expectations for students of the Maya Angelou Public Charter High School. Furthermore, guidance interventions, supports and consequences are also outlined.

In addition, MAPCS integrates all of the supports and services of the school when addressing student behavior. The intention is to ensure that all supports have been utilized to understand the nature of an issue or problem BEFORE it escalates. MAPCS Behavior Management policies will be reviewed in greater detail at Student Orientation and on the first day of school, but should you have any questions, please do not hesitate to ask.

School Behavior Management, Safety and Security and Students with Disabilities

Please note that the Student Success Code will be applied to student with disabilities in a manner consistent with Federal and State law (i.e., the Individuals with Disabilities Education Act (IDEA), 20 USC §1400 et seq. and its implementing regulations, 34 CFR Part 300; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq. and its implementing regulations, 34 CFR Part 104; and DCMR § 5-E30). MAPCS' procedures when disciplining student with disabilities are provided in the District of Columbia Notice of Procedural Safeguards, the Rights of Parents of Students with Disabilities (Procedural Safeguards). Copies of the Procedural Safeguards are available in the main office or by contacting Russell Waller, Director of Special Education, at rwaller@seeforever.org

Applicability

Maya Angelou Public Charter School Student Success Code is applicable for all students in the following situations:

1. When the student is on school grounds, traveling to and from school, or off school grounds participating in or attending any function or activity, including field trips, class trips, extracurricular activities, or athletic contests that are sponsored by or are under the auspices of MAPCS;
2. When the student is off school grounds and traveling on transportation provided by MAPCS and the activity involves any conduct prohibited by this chapter;
3. When the student commits a prohibited offense that occurs during before-school or after-school programs;
4. When a student has committed a prohibited offense off school grounds or outside regular school hours that results in a significant disruption to the school environment.
5. All students, whether of compulsory (5-17) or non-compulsory (18 and over) age are governed by MAPCS Code of Conduct Disciplinary Responses and Interventions for Student Success.

Student Success Code

- The intent of the interventions and disciplinary responses outlined below is to repair harm/wrongdoing done to individuals or groups within the school community and are intended to serve as guidelines to be used with administrative discretion. Administrators, teachers and staff will work to apply disciplinary responses in a consistent and equitable manner.
- Students will be provided with classwork and assignments in the instance that they receive an out-of-school or in-school suspension. Students are responsible for completing classwork and assignments when sent home for suspensions. Parent/homes without access to the internet/computers must contact MAPCS to obtain assignments by alternate means.
- We invite and encourage parents to attend a conference for their student who is reentering school after serving a suspension for 3 or more days .
- Short Term, Long Term and Expulsion Recommendations decisions can be appealed by contacting See Forever Foundation with an appeal hearing request. Expulsion recommendations not appealed will be valid on the date identified on the form.

General Conduct

2. Students will be treated fairly regardless of race, sex, sexual orientation, gender, identity, age, or religion.
3. Staff will maintain appropriate boundaries when in positions of authority over students.

5. Staff will not discuss their sexual encounters or personal matters with or around students in any way.
6. Staff will not date or become romantically involved with students.
7. Staff will not share any social media accounts.
8. Staff will not use or be under the influence of alcohol or illegal drugs in the presence of students.
9. Staff should not transport any students without authorization from a parent and the Principal and or his designee.
10. Staff will comply with the program's policies regarding interactions with students outside of the program or school environment.

Definitions

Out-of-school Suspensions

If a student is suspended, the student is removed from the school environment for up to 10 days. The Principal or their designee will determine the length of suspension based on the severity of the infraction. The issued suspension will become effective immediately unless otherwise noted by the Principal or their designee. Students may be issued a short-term suspension of 1-5 school days or a long-term suspension of 6-10 days. Please note that suspensions may be issued lasting longer than 10 school days in the instance of a serious infraction.

Students are provided with classwork and assignments to complete during their time out of school. During an out-of-school suspension, a student can not return to school grounds unless prior approval is obtained from the Principal or the Principal's designee. For minor students, a conference with the parent/legal guardian is suggested prior to returning to the school environment.

In-School Suspensions

A student who receives an in-school suspension (ISS) remains in the school building during instructional hours, but is not permitted contact with other students. The student also loses extracurricular activities during in-school suspension. The Principal or their designee assigns ISS and the length of ISS is determined by the severity of the infraction. Students in ISS will receive their classwork and assignments and are expected to complete the classwork and assignments.

Expulsion

An expulsion is the permanent removal of a student from MAPCS. Expulsion is typically a result of extreme violations of the student success code. Recommendations for expulsion can be made by the Principal at their discretion.

Notice of Disciplinary Action

Parent engagement and communication is critical through the student discipline process. Except in cases of emergency suspensions, **no student may be suspended or expelled, including on-site suspension, without prior written notice of the proposed disciplinary action to the adult student or minor student's parent or guardian.** The written notice must be provided either in person, through email, certified mail, or hand-delivered mail with a signature receipt.

Disciplinary notices must be mailed to parents/guardians within 24 hours.

Please note that prior written notice of disciplinary actions regarding students with disabilities will be provided consistent with Federal and State law (i.e., the Individuals with Disabilities Education Act (IDEA), 20 USC §1400 et seq. and its implementing regulations, 34 CFR Part 300; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq. and its implementing regulations, 34 CFR Part 104; and DCMR § 5-E30). MAPCS' procedures when disciplining students with disabilities are provided in the District of Columbia Notice of Procedural Safeguards, the Rights of Parents of Students with Disabilities (Procedural Safeguards). Copies of the Procedural Safeguards are available in the main office or by contacting Russell Waller, Director of Special Education, at rwaller@seeforever.org.

Releasing Students From School For Proposed And Approved Suspensions

<p>Students under 14 years of age who have been suspended or expelled are not permitted to leave school grounds unless accompanied by parent/guardian.</p>	<p>Students ages 14-17 years of age who have been suspended or expelled are not permitted to leave school grounds unless parent/guardian has been contacted.</p>
--	--

Any and all communication with parent will be documented in PowerSchool. If the parent or guardian of a student who has been suspended cannot be contacted by phone or in person before the next school day, and the student arrives at school, he or she must remain in the building until a parent or guardian can be contacted and given a reasonable opportunity to arrange for proper supervision of the student or until the end of the school day. The student may be separated from other students and must be appropriately supervised during this time. Any such day will count toward fulfilling the terms of the student’s suspension.

Except in cases of immediate emergency suspensions, students shall remain in their regular assigned classroom or education setting until the final determination of the suspension has been made. Criteria for Emergency Suspensions are below:

Emergency Suspensions

Criteria: An emergency suspension is defined as a removal of a student in a situation where: The behavior of an individual student is so disruptive or dangerous that he/she poses a very real and immediate threat to the health and safety of other members of the school community, or to the ability of the school community or the school or portion thereof to continue normal operations.

Please note that any emergency suspensions applied to students with disabilities will be conducted in a manner consistent with Federal and State law (i.e., the Individuals with Disabilities Education Act (IDEA), 20 USC §1400 et seq. and its implementing regulations, 34 CFR Part 300; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq. and its implementing regulations, 34 CFR Part 104; and DCMR § 5-E30). MAPCS’ Procedures when disciplining students with disabilities are provided in the District of Columbia Notice of Procedural Safeguards, the Rights of Parents of Students with Disabilities (Procedural Safeguards). Copies of the Procedural Safeguards are available in the main office or by contacting Russell Waller, Director of Special Education, at rwaller@seeforever.org.

Due Process

Due Process is defined as the regular administration of the law, according to which no student may be denied his or her legal rights and all laws must conform to fundamental, accepted legal principles. It is required that all disciplinary procedures and decisions be made in a timely and equitable manner. Violation of a student’s due process can lead to denial of proposed discipline.

Manifestation Determination Process

- Upon the Principal's recommendation for expulsion for a student with disabilities or if a student with disabilities is approaching their tenth (10th) suspension day, or the student with disabilities is suspended past ten (10) days the Special Education Team contacts the student's parent to schedule a manifestation determination meeting as soon as possible.
- The purpose of this meeting is to determine whether the grave infraction the student committed was or was not a manifestation of his/her disability.
- The meeting's attendees are: Special Education Case Manager (facilitator), Special Education Director, School Administrator, Counselor, General Education Teacher, Parent, and Student.
- The school provides the student and parent with a copy of our Procedural Safeguards prior to the start of the meeting and gives them time to review.
- Meeting Agenda Item 1: The student's attendance, academic progress, and behavioral history are discussed (relevant records and data are reviewed at this time).
- Meeting Agenda Item 2: The School Administrator details the infraction(s) that violated the school's Student Success Code and resulted in a recommendation for expulsion.
- Meeting Agenda Item 3: The student and parent provide their description of the infraction/incident.
- Meeting Agenda Item 4: The Special Education Case Manager asks two questions:
 - [1] Was this infraction a result of the school's failure to implement the student's IEP? YES OR NO
 - [2] Was this infraction a result of the student's disability? YES OR NO; the entire team of staff in attendance comes to a consensus to determine the YES or NO response to the aforementioned questions.
- IF THE ANSWER IS NO FOR QUESTION 1 AND 2: The group determines that the infraction is NOT a manifestation of the student's disability and an expulsion hearing is scheduled (sometimes held directly after the manifestation determination for scheduling purposes) or the originally assigned consequences continue.
- IF THE ANSWER IS YES TO QUESTION 1: A re-entry meeting is scheduled so the student can return to school as soon as possible; further interventions are put in place during the re-entry meeting to help the student succeed.
- IF THE ANSWER IS YES TO QUESTION 2: The group determines that the infraction IS a manifestation of the student's disability; a re-entry meeting is scheduled in order to determine interventions the team should put in place to help the student succeed OR in the case of extreme infractions (i.e., staff assault, peer assault, possession or use of serious weapon on school grounds, possession or use of drugs on school grounds, etc.) the team reserves the right to recommend a 45-day placement or change of placement to be approved by the MAPCS Chief of Schools.
- The Director of Special Education documents the parent's agreement or non-agreement with the team's decision.

Appeals

Parents and guardians have the right to appeal disciplinary decisions regarding their student **within 3 school days of the issued consequence**. Appeals should be submitted via written

documentation. Phone appeals will be granted on a case by case basis. During the hearing, the parent or guardian, or adult student may present their argument for the requested appeal.

Requests for appeals for tier one (1) and two (2) infractions will be addressed by the Principal. When requesting an appeal, contact the school's main office 202-379-4335 to be given an appeal date.

Parents requesting appeals for tier 3 infractions will request an appeal hearing with the Chief of Schools by contacting the school's main office at 202-379-4335.

An appeal meeting will be set within seven (7) school days of receipt of the appeal request. The appeal meeting will be held within seven (7) school days from the date of hearing being set. Appeal meetings will be led by either the Principal and/or their designee or the Chief of Schools and/or their designee.

Please note that any disciplinary action taken regarding students with disabilities and related requests for appeals will be conducted and reviewed in a manner consistent with Federal and State law (i.e., the Individuals with Disabilities Education Act (IDEA), 20 USC §1400 et seq. and its implementing regulations, 34 CFR Part 300; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq. and its implementing regulations, 34 CFR Part 104; and DCMR § 5-E30). MAPCS' Procedures when disciplining students with disabilities are provided in the District of Columbia Notice of Procedural Safeguards, the Rights of Parents of Students with Disabilities (Procedural Safeguards). Copies of the Procedural Safeguards are available in the main office or by contacting Russell Waller, Director of Special Education, at rwaller@seeforever.org.

Maya Angelou Public Charter Schools – Young Adult Learning Center

The attendance and discipline policies in this section apply strictly to the MAPCS – Young Adult Learning Center.

Young Adult Learning Center – Attendance Policy

It is the policy of the Young Adult Learning Center, (referred to as the YALC), to create a learning environment conducive to all and shall provide all students the opportunity to be successful. This success is based upon the YALC's commitment to educational excellence, the unique curriculum and to student learning. It is imperative that students enrolled at the YALC to be present and on time for all classes. Tardiness and absences can negatively affect a student's progress and success. The YALC expects all student who enrolls in its academic program to make a commitment to themselves and the school and become partners in their success.

Based upon the unique nature of the program, and the age-range of students who enroll at the YALC, (mostly adults), policies and procedures have been developed to reduce absenteeism and tardiness. The normal school day is divided into an AM and PM session, 3 hours long. The AM session starts 9AM and ends at 12noon. Student are expected to report to school and enter the building at 8:45AM for breakfast and start their first period class promptly at 9AM. First period ends at 10:25AM. If a student comes at or after 9:30AM he/she is considered tardy and will not be permitted to enter the first period class. The student will wait and then attend the second period class. Second period starts at 10:30AM and ends at 12noon. Any AM student arriving at 11AM or later is considered absent for the entire day.

PM students are expected to report to school and enter the building at 12:15PM for lunch and start their first period class promptly at 12:30PM. First period ends at 2PM. If a student arrives at or

after 1PM he/she is considered tardy and will not be permitted to enter the first period class. They will wait and then attend the second period class. Second period starts at 2PM and ends at 3:30PM. Any PM student arriving at 2:30PM or later is considered absent for the entire day.

Monitoring and recordkeeping is paramount in ensuring student are coming to school and attending classes. This information is also shared with various stakeholder for the school and students i.e. PCSB, parents, probation officers, case managers, lawyers and community workers.

Excused Absences

A distinction is made from excused and unexcused absences. An excused absence is being out of school for a legitimate and acceptable reason as defined by the school. When a student is out for one of those defined reasons and provides written documentation, the student's attendance record will reflect excused absence. This type of absence allows the student the opportunity to make up any work they may have missed. Whenever possible, the student should advise the school's designated person they are going to be out of school. In all cases, upon returning to school from an excused absence, the student must provide documentation, detailing the absent.

Examples of excused absences are:

- Legal appointments
- Death in the family
- Medical appointments
- Caring for a sick relative
- Social services appointments
- Enrolling a child in school
- Difficulty with daycare for child
- Observance of religious holidays
- Failure of the District of Columbia to provide transportation in cases where the District of Columbia has a legal responsibility for the transportation of the student
- Necessity for a student to attend judiciary or administrative proceedings as a party to the action or under subpoena
- Exclusion, by direction of the authorities of the District of Columbia, due to quarantine, contagious disease, infection, infestation, or other condition requiring separation from other students for medical or health reasons
- An emergency or other circumstances approved by an educational institution
- Temporary closing of facilities or suspension of classes due to severe weather, official activities, holidays, malfunctioning equipment, unsafe or unsanitary conditions, or other condition(s) or emergency requiring a school closing or suspension of classes
- Suspension from school

Unexcused Absences

An unexcused absent occurs when the student fails to properly communicate with the school attendance designee or bring in documentation on why they did not attend school. These types of absences can cause the student to get behind in class work. Students under the age of 18 years,

who miss 15 or more unexcused absences will be referred to the Court Social Services Division of the Superior Court of the District of Columbia and to the office of the Attorney General within 2 business days of the 15th absence.

Examples of unexcused absences are:

- Oversleeping
- Weather when the school is not closed
- Leaving school without permission
- Not attending classes for the majority of the student's schedule

In the instances where the school has to close due to weather or unforeseen circumstances, these absences will not adversely affect the student.

The YALC realizes that student attendance is the key to being successful and missing school can adversely affect the commitment the YALC has made to the student. If the student is going to be successful he/she must make the same commitment.

To enhance school attendance, the YALC has developed an attendance protocol to assist and advise students and parents of any and all absences. The YALC works with Metro to obtain transportation passes and/or tokens for students to ride the bus and trains. Student support team (SST) meetings are held to determine why the student is missing so many days and to make referrals to social workers or appropriate service providers to eliminate the barriers which cause the student to miss school.

The staff at the YALC can also call the student to ensure they are up on time so they can be at school on time. An incentive program has also been put in place to encourage daily attendance. To ensure the YALC has done everything possible to help the students it serves, Student Round Tables are convened and student's needs and progress are discussed and a determination is made for the student to remain or be removed.

When a student is absent, the following policy will be followed:

- Day 1- call from the teacher and the attendance designee
- Day 2- call from the teacher and attendance designee
- Day 3- letter mailed to the home advising of the unexcused absences/calls made
- Day 5- SST meeting convened (plan developed and referrals made)
- Day 6- home visit conducted
- Day 7- letter mailed to the home
- Day 10- Warning letter mailed to the home (possible removal/Court referral)
- Day 15- Student Round Table convened (Court referral made)
- Day 20- student removal from roll

It is the policy of the Young Adult Learning Center, (referred to as the YALC), to create a safe learning environment conducive to all students. The YALC shall provide all student the opportunity to be successful regardless of race, sexual orientation, and/or religious beliefs. In maintaining this environment, the YALC shall provide all students, families and staff with clear expectations and rules for appropriate school behavior. These rules must balance the responsibilities and rights of each individual and the responsibilities and rights of the YALC.

Students who enroll in the YALC must align themselves with the YALC's policies of maintaining a safe learning environment for the entire community. Any disruption to the learning environment will result in the YALC administering disciplinary actions intended to change and manage inappropriate behaviors. To ensure the YALC's discipline policy is understood, all students enrolling in the YALC must participate in an orientation, where the rules, policies and expectation will be explained.

Whenever possible the YALC will implement various strategies in addition to the discipline policies to correct student behavior.

Some of the strategies include but are not limited to the following:

- Redirection
- De-escalation
- Mediation
- One on One conferences
- Student Support Team meetings/Student Round Tables
- Referral to the school social worker
- Behavior Contracts

The YALC's policy is to keep all students in school, however, decisions regarding student behavior and discipline shall balance needs of the student and the interest of the school community and minimize disruption of academic instruction. Additionally the YALC shall provide a fair and consistent approach to student discipline, while considering the rights and responsibilities of the student as well as the needs of the learning environment. Students are to conduct themselves in a manner that represents the policies of the school. This includes offsite sanctioned school activities. Disciplinary actions will be considered based on factors such as:

- Nature of the infraction
- Student's previous behavior and consequences
- Injury
- Weapon
- Drugs/Alcohol
- Referrals (Behavioral/Counseling)
- Safety of others, (to include other students and staff)
- Police involvement

The YALC will give out disciplinary actions based on the above mentioned factors. These actions are:

- Temporary removal from class
- Short Term Suspension (1-9 days)
- Long Term Suspension (10 or more days)
- Expulsion (removal from the YALC-requires a hearing from the Chief of School or her designee)

Any student who is suspended will have re-entry meeting. This meeting will determine if the student has taken responsibility for his/her actions. The expectations for proper behavior will be reiterated to the student during the re-entry meeting.

Definitions

Out-of-school Suspensions

If a student is suspended, the student is removed from the school environment for up to 10 days. The YALC Director or their designee will determine the length of suspension based on the severity of the infraction. The issued suspension will become effective immediately unless otherwise noted by the YALC Director or their designee. Students may be issued a short-term suspension of 1-5 school days or a long-term suspension of 6-10 days. Please note that suspensions may be issued lasting longer than 10 school days in the instance of a serious infraction.

Students are provided with classwork and assignments to complete during their time out of school. During an out-of-school suspension, a student can not return to school grounds unless prior approval is obtained from the YALC Director or the YALC Director's designee. For minor students, a conference with the parent/legal guardian is suggested prior to returning to the school environment.

Expulsion

An expulsion is the permanent removal of a student from MAPCS. Expulsion is typically a result of extreme violations of the student code of conduct. Recommendations for expulsion can be made by the YALC Director at their discretion.

Notice of Disciplinary Action

Engagement and communication is critical through the student discipline process. Except in cases of emergency suspensions, **no student may be suspended or expelled, including on-site suspension, without prior written notice of the proposed disciplinary action to the adult student or minor student's parent or guardian.** The written notice must be provided either in person, through email, certified mail, or hand-delivered mail with a signature receipt. Disciplinary notices must be mailed to parents/guardians within a 24 hours.

Please note that prior written notice of disciplinary actions regarding students with disabilities will be provided consistent with Federal and State law (i.e., the Individuals with Disabilities Education

Act (IDEA), 20 USC §1400 et seq. and its implementing regulations, 34 CFR Part 300; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq. and its implementing regulations, 34 CFR Part 104; and DCMR § 5-E30). MAPCS' Procedures when disciplining students with disabilities are provided in the District of Columbia Notice of Procedural Safeguards, the Rights of Parents of Students with Disabilities (Procedural Safeguards). Copies of the Procedural Safeguards are available in the main office or by contacting Russell Waller, Director of Special Education, at rwaller@seeforever.org.

Procedures For Suspensions And Expulsion

All suspension must be aligned with the policies of the PCSB and the Maya Angelou Public Schools. Suspensions will be assigned to a student by the Program Director or their designee. All suspensions will be put into PowerSchool and notification given to the student advising of the suspension, the reason and the number of days assigned. Should the student be suspended for 3 or more days, work packages will be prepare for that student.

In the event the student is 17 years old, his/her parent will be contacted, prior to the student leaving the building. If contact cannot be made, the student will remain in school until dismissal and the suspension will start the next day.

When a suspension involves a student with disabilities, the Director of Special Education will be given a copy of the suspension notification and the student's team will be notified. A manifestation must be conducted to determine if the infraction /action is a manifestation of the student's disability as set forth in his/her IEP, BIP or 504 plan.

All students will be invited to a re-entry meeting once their suspension is over. In that meeting will be an administrator, the student, his/her parent if they are 17 years old and any probation officers, social works, case managers, lawyers or any community workers. This meeting will determine if the student has taken responsibility for his/her actions.

When a recommendation for expulsion is made, a hearing will be set and convened by the Chief of School or her designee. During that hearing the YALC will present the information and reason why expulsion is recommended. The student will present their information and the Chief of Schools will make a decision to uphold the expulsion, set additional time to the suspension or except the time served. The student will be notified in writing in 24 hours of the hearing.

In all instances, the Maya Angelou PCS and the YALC will align itself with laws, ordinances, statutes and codes which govern the District of Columbia. It is further stated that the school entity will cooperate fully with all law enforcement officials in the administration of justice.

Due Process

Due Process is defined as the regular administration of the law, according to which no student may be denied his or her legal rights and all laws must conform to fundamental, accepted legal principles. It is required that all disciplinary procedures and decisions be made in a timely and equitable manner. Violation of a student's due process can lead to denial of proposed discipline.

Manifestation Determination Process

- Upon the YALC Director's recommendation for expulsion for a student with disabilities or if a student with disabilities is approaching their tenth (10th) suspension day, or the student with disabilities is suspended past ten (10) days the Special Education Team contacts the student or minor student's parent to schedule a manifestation determination meeting as soon as possible.
- The purpose of this meeting is to determine whether the grave infraction the student committed was or was not a manifestation of his/her disability.
- The meeting's attendees are: Special Education Case Manager (facilitator), Special Education Director, School Administrator, Counselor, General Education Teacher, Parent (if applicable), and Student.
- The school provides the student or minor student's parent with a copy of our Procedural Safeguards prior to the start of the meeting and gives them time to review.
- Meeting Agenda Item 1: The student's attendance, academic progress, and behavioral history are discussed (relevant records and data are reviewed at this time).
- Meeting Agenda Item 2: The School Administrator details the infraction(s) that violated the school's Code of Conduct and resulted in a recommendation for expulsion.
- Meeting Agenda Item 3: The student or minor student's parent provide their description of the infraction/incident.
- Meeting Agenda Item 4: The Special Education Case Manager asks two questions:
 - [1] Was this infraction a result of the school's failure to implement the student's IEP? YES OR NO
 - [2] Was this infraction a result of the student's disability? YES OR NO; the entire team of staff in attendance comes to a consensus to determine the YES or NO response to the aforementioned questions.
- IF THE ANSWER IS NO FOR QUESTION 1 AND 2: The group determines that the infraction is NOT a manifestation of the student's disability and an expulsion hearing

is scheduled (sometimes held directly after the manifestation determination for scheduling purposes) or the originally assigned consequences continue.

- IF THE ANSWER IS YES TO QUESTION 1: A re-entry meeting is scheduled so the student can return to school as soon as possible; further interventions are put in place during the re-entry meeting to help the student succeed.
- IF THE ANSWER IS YES TO QUESTION 2: The group determines that the infraction IS a manifestation of the student's disability; a re-entry meeting is scheduled in order to determine interventions the team should put in place to help the student succeed OR in the case of extreme infractions (i.e., staff assault, peer assault, possession or use of serious weapon on school grounds, possession or use of drugs on school grounds, etc.) the team reserves the right to recommend a 45-day placement or change of placement to be approved by the MAPCS Chief of Schools.
- The Director of Special Education documents the student or minor student's parent's agreement or non-agreement with the team's decision.

Appeals

Students or the minor student's parents/legal guardians have the right to appeal disciplinary decisions regarding their student **within 3 school days of the issued consequence**. Appeals should be submitted via written documentation. Phone appeals will be granted on a case by case basis. During the hearing, the parent or guardian, or adult student may present their argument for the requested appeal.

Requests for appeals for tier one (1) and two (2) infractions will be addressed by the YALC Director. When requesting an appeal, contact the school's main office 202-289-8898 to be given an appeal date.

Parents requesting appeals for tier 3 infractions will request an appeal hearing with the Chief of Schools by contacting the school's main office at 202-289-8898.

An appeal meeting will be set within seven (7) school days of receipt of the appeal request. The appeal meeting will be held within seven (7) school days from the date of hearing being set. Appeal meetings will be led by either the YALC Director and/or their designee or the Chief of Schools and/or their designee.

Please note that any disciplinary action taken regarding students with disabilities and related requests for appeals will be conducted and reviewed in a manner consistent with Federal and State law (i.e., the Individuals with Disabilities Education Act (IDEA), 20 USC §1400 et seq. and its implementing regulations, 34 CFR Part 300; Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq. and its implementing regulations, 34 CFR Part 104; and DCMR § 5-E30). MAPCS' Procedures when disciplining students with disabilities are provided in the District of Columbia Notice of Procedural Safeguards, the Rights of Parents of Students with Disabilities (Procedural Safeguards).
